

# FOR REGULATED WASTE

## BATTERIES

Place used batteries (Lithium, NiCd, nonleaking nonautomotive lead acid, alkaline) in the green buckets in your area. For more information, call x5877.

## ELECTRONIC WASTE

Follow guidelines at <http://www.lbl.gov/ehs/>; quick links to "e-waste." Electronic waste includes non-functioning computers, computer monitors, hard drives, speakers, calculators, scanners, computer mice, oscilloscopes, microwave ovens, or other electronic devices with circuit boards.

## CHEMICAL, RADIO-ACTIVE/MIXED, AND MEDICAL WASTES

Follow proper handling procedures outlined in the LBNL/PUB-3092 Generator Guidelines for Hazardous, Radioactive, and Mixed Wastes at <http://www.lbl.gov/ehs/waste/pub3092/> or the Medical Waste Generator Guidelines at [http://www.lbl.gov/ehs/Medical/html/medical\\_waste.htm](http://www.lbl.gov/ehs/Medical/html/medical_waste.htm), or call your Generator Assistant.

## SHARPS WASTE

Sharps uncontaminated with biohazardous waste, including drill bits, needles, needles w/ syringes, blades (razors, scalpels, etc.), and Pasteur pipettes, need to be placed in a sharps container and labeled with the words "unregulated sharps." When full, contact your Generator Assistant for pickup.

Broken glass that is not contaminated with biohazardous waste should be put into a cardboard box, sealed, labeled with the words "broken glass," and left for the janitor.

## LIGHT BULBS

For recycling, contact the Facilities Work Request Center at x6274.

# BERKELEY LAB Waste Management

## WHITE PAPER

Place all copy, computer, fax, and notebook paper in green bins.

## MIXED PAPER/ MAGAZINES

Place all glossy, colored, and plotter paper; brown paper bags; magazines; catalogs; newspapers; and phone and hardcover books in blue containers.

## BOTTLES/CANS OR OTHER #1 AND #2 PLASTICS

Must be empty, and lids must be removed, before placing in yellow containers.

## INKJET PRINTER CARTRIDGES

Place empty inkjet printer cartridge into a postage-paid envelope provided by Waste Management, and drop in the mail. Call x5877 for envelopes.

## CARDBOARD

Cardboard of any type should be placed in cardboard bins. Flatten boxes.

## PEANUTS

Place bags of styrofoam, starch-based peanuts, and bubble plastic in your Transportation delivery area. Transportation will pick up at their next delivery at no charge.

## USED DISKETTES/ CDS/ZIP DISKS

Delete all information. Place in the used diskette/CD/Zip disk collection box. When box is full, send to MS 903R0100 via interoffice mail. For large quantities, call x5877.

## WOOD/SCRAP LUMBER & VEGETATION WASTE

Pallets & Skids: Send all pallets & skids, regardless of condition, to Bldg. 903. Stack flat in neat piles at loading area. Call Transportation at x5404 for pickup.

Scrap wood should be placed in dumpsters labeled "Wood Only." Contact Grounds at x4580.

## TRANSPARENCY FILM

Place overhead transparencies in collection boxes in your area. Send to 85R-0203.

## TONER CARTRIDGES

Put used cartridge in original box. Place in your Transportation delivery area. Transportation will pick up at their next delivery, at no charge.

## SCRAP METAL

Contact the Property Reuse Center at Bldg. 903 or call x4938.

## EYEGLASSES

Mail or drop off used eyeglasses at Health Services in Bldg. 26-143. All eyeglasses are donated for reuse.

## JUNK MAIL

Complete the card and send back to the company to be removed from their mailing list. Cards can be obtained from Ken Woolfe at x7739.

NONRECYCLABLE TRASH: Contact Bob Berninzoni at x5576.
